

## Appendix D

### TEST REQUIREMENT FOR CERTIFICATION IN NEW JERSEY

#### INTRODUCTION

Applicants for New Jersey licensure in subject teaching fields and elementary education must pass the appropriate PRAXIS II Subject Assessment/Specialty Area test(s). The tests are required for all applicants including those applicants who are certificated in other states. Certain teaching fields are exempt as noted on the next page.

Applicants for the Speech-language Specialist certificate must pass the Speech-language Pathology Specialty Area test. **Effective September 1, 2006 only official score reports will be accepted from Educational Testing Service for the Speech-Language Pathology test.** Coding the Department of Education (R7666) and your Social Security number precludes delay in certificate issuance.

Applicants for the Principal certificates must pass the School Leadership Series: School Leaders Licensure Assessment test (SLLA). Applicants for the School Administrator certificates must pass the School Leadership Series: School Superintendent Assessment test (SSA). These tests are part of the School Leadership Series.

It is your responsibility to register for the correct test(s). Carefully check test requirements and test code number listed on the next page to assure registration for the correct test.

#### PASSING SCORE

Passing scores have been raised by the State Board of Education. Applicants must achieve the current required passing score(s) for certificate issuance. Passing scores always are subject to change. A test score must meet the current passing score to satisfy the test requirement. Undergraduates must take Praxis test(s) no earlier than the senior year.

#### INSTRUCTIONS FOR TEST REGISTRATION
